EDUCATION

B.Sc., Mathematics education (with honours) Herzen State Pedagogical University,
Faculty of Mathematics
Thesis: Rational spatial graphs
Scientific Advisor: V. M. Nezhinskij

2015-2019

*M.Sc., Mathematics education Herzen State Pedagogical University,
Faculty of Mathematics*

2019-Present

ADDITIONAL EDUCATION

St. Petersburg topological seminar by V. A. Rokhlin

2017-present

St. Petersburg Department of Steklov Mathematical Institute of Russian Academy of Sciences

I. A. Dynnikov "Monotonic simplification of knots and contact topology"
Workshop. Analysis, geometry and mathematical physics, Chebyshev Laboratory

2019

Course of A. V. Malyutin "Knot theory"
Faculty of Mathematics and Information Technology

2019

Course of S. S. Podkorytov "Topological K-theory"
Faculty of Mathematics and Information Technology

2019

FIELDS OF INTEREST

Topology, Geometric group theory, Low-dimensional topology, Knots, Links, Tangles

CONFERENCE

Topology, Geometry, and Dynamics: Rokhlin – 100 (participant)

2019
